1 Introduction

This Privacy Policy (the "Policy") describes how Idempotence CA collects, uses, and shares your personal information when you use the Idempotence CA software (the "Software").

2 Personal Information We Collect

We collect the following personal information from you when you use the Software:

- Your name and contact information (such as your email address)
- Your IP address
- Your device information (such as your device type and operating system)
- Your usage data (such as the features you use and the pages you visit)

3 How We Use Your Personal Information

We use your personal information to:

- Provide you with the Software
- Improve the Software
- Communicate with you about the Software
- Comply with our legal obligations

4 How We Share Your Personal Information

We may share your personal information with:

- Our third-party service providers who help us provide the Software
- Our affiliates
- Law enforcement or other government agencies if required by law

5 Your Choices About Your Personal Information

You can choose not to provide us with certain personal information, but this may prevent you from using certain features of the Software.

You can also opt out of receiving marketing emails from us by clicking on the "unsubscribe" link at the bottom of any marketing email.

6 How We Protect Your Personal Information

We take measures to protect your personal information, including:

- Using encryption to protect your personal information in transit
- Storing your personal information on secure servers
- Limiting access to your personal information to authorized personnel

7 Your Rights

You have the right to access, correct, delete, and restrict the use of your personal information. You also have the right to port your personal information to another service.

To exercise your rights, please contact us at contact@idempotence.io

8 Changes to This Policy

We may update this Policy from time to time. The most current version of the Policy will always be posted on our website.
